COLLECTION OF TAX IN ANOTHER COUNTY	
TRANSACTION	OTC FORM 936
REPOSSESSION DEALERS TRADES MILITARY TITLE TRANSFER USED HOMES	CURRENT 936 REQUIRED <i>(See appropriate page for specific requirements)</i>

68 O.S. 1998, § 2813-C, effective June 10, 1998, regarding the collection of ad valorem taxes due on manufactured homes, provides for the tax to be collected by **any county treasurer** in the state to initiate an OTC Form 936. This new procedure has been developed by the State Auditors Office for county treasurers to follow. On June 16, 1998 the State Auditors Office mailed SA&I Bulletin #98-10 to all county treasurers to advise them of proper procedure.

PROCEDURE
COLLECTION OF AD VALOREM TAX IN ANOTHER COUNTY

1. Collecting Treasurer: Takes information from the applicant and transmits the information to the home county treasurer/assessor to complete an original Form 936.
2. Home Treasurer/Assessor: Completes an original 936 based on the information from the collecting treasurer. The 936 must be signed by the home assessor (the home treasurer does not sign the original 936). A copy of the completed 936 is then faxed back to the collecting treasurer. Note: The original 936 **MUST** be numbered from the home county.
3. Collecting Treasurer: After payment of taxes the applicant is issued a trust deposit receipt, current decal and a copy of the completed 936. **The treasurer retains a copy of the 936 and mails a copy with the trust voucher to the home treasurer.**
4. Home Treasurer: Attaches the 936 signed copy from the collecting treasurer to the original 936 to complete the procedure. The voucher is then deposited in the treasurer's trust account. The treasurer and assessor make the appropriate record entries.

MANUFACTURED HOMES TITLE SURRENDER CONVERSION TO REAL ESTATE

As of July 2002 with the passage of Senate Bill 983, manufactured home owners and finance companies are now able to surrender the titles on manufactured homes if the home is permanently attached to the real property.

Only the Tax Commission may purge the title not the finance company. If a lender believes they had surrendered title prior to July 2002, they have not. What they may have done is: 1) Given the owner a title without a lien entered, or 2) Kept the title at the finance company also known as "holding the title" which is prohibited in Oklahoma.

There are several forms available from the Tax Commission, Motor Vehicle Division pertaining to surrender of title.

- Application for Title Cancellation of a Manufactured Home Permanently Affixed to Real Estate
- Notice to County Assessor of Cancellation of Oklahoma Certificate of Title
- Notice to Lien Holder of Application to Cancel Oklahoma Certificate of Title
- Notice to Owner of the Existence of an Active Lien Upon Receipt of Application to Cancel Oklahoma Certificate of Title

Lenders that are holding titles may now apply to surrender those titles and have them purged. If the land/home was transferred by warranty deed or deed of trust the lender will need to call the Motor Vehicle Division at 1-800-522-8165, ext. 13344 for instructions.

Since 1985, Oklahoma law has allowed a manufactured home to be classified as real or personal property. If the home is situated on land owned by the owner of the manufactured home, it should be classified as real property. If it is located on land owned by someone else, it is classified as personal property. In either case, the manufactured home is still subject to title and registration and should be designated as MH on the assessment roll and valued as a separate line item.

Until July 2002, the law did not allow a homeowner or lender to surrender the title and have the home classified as real property. Under Oklahoma law, if the title has been properly surrendered the manufactured home is no longer subject to title and registration under the Motor Vehicle Code.

When a manufactured home is listed with the county assessor as real property, the county assessor is required to separate the account into three (3) line items: 1) Land 2) Mfg. Home and 3) Other Improvements. The owner will be assessed on the total assets listed.

When the home is listed as "personal property", the owner of the home is assessed only on the home and any other improvements they may have on the site. The person that owns the land is responsible for payment of the tax on the land only.

When an owner or finance company properly surrenders the title to the manufactured home, the Motor Vehicle Division will notify the county assessor that the home is now permanently affixed to the real estate and the title has been surrendered. At this point, the home will be assessed as any other real property being land and any and all improvements, and no longer be classified as a manufactured home.

When valuing manufactured homes that have had the titles surrendered, the appraiser should be aware of market conditions and adjustments that may affect the value of the assets. Conventional mass appraisal techniques may be used as with any other real property asset using proper market data and adjustments for this type of asset.

Cancellation of Title Using the MSO

Using MV Form 756, Application for Title Cancellation

- Must be completed by the record owner or agent
- Submitted to assessor with a copy of the MSO
- A copy of the Size and Weight Permit is recommended
- The assessor may sign the form and return it to the owner or agent if all criteria are met. The owner or agent will then return the completed form to the Motor License Agent (MLA).

***Note:** Until the assessor receives the completed FL 756 Form from the Tax Commission, the title is not cancelled.*

Using the MV Form FL 756, Notice to Assessor of Title Cancellation

- Provided to the assessor by OTC or MLA only
- Will be signed by OTC or MLA
- This is the official notification of title cancellation
- Accept no other cancellation documents from any other source
- Any questions, call OTC Motor Vehicle Division or MLA

REINSTATEMENT OF TITLE

With the amending of 47 O.S., § 1110 in the 2007 legislative session, there will be a specific procedure for issuing new titles for homes which have had their titles cancelled effective November 1, 2007. The statute has been amended to read: The owner of a manufactured home upon which the document of title has been properly surrendered, may apply to the Tax Commission for issuance of a new original certificate of title upon submission of: (1) an attestation from the homeowner indicating ownership of the manufactured home and the nonexistence of any security interest or lien of record in the manufactured home, and (2) a title opinion by a licensed attorney, determining that the owner of the manufactured home has marketable title to the real property upon which the manufactured home is located and that no documents filed of record in the county clerk's office concerning the real property contain a mortgage, recorded financial statement, judgment, or lien of record. Persons or entities to whom the title opinion is addressed may rely on said title opinion.

SALES TAX FOR MODULAR HOMES:

The sales tax will be collected by the vendor based on the rate at the point of delivery. The customer will receive a sales tax receipt. There is no excise tax on a modular home because they are not subject to title and registration as required under Title 47 of the Motor Vehicle Code.

Modular homes will be classified as real property or improvements on leased land and subject to all Ad Valorem taxes. Modular homes are not Manufactured or Mobil Homes and are not subject to Manufactured home requirements.

After November 1, 2004 the first 45% of the sale price will be exempt from sales tax.

Example:

Sale price	\$75,000.00
Exempt (45%)	<u>33,750.00</u>
Subject to Tax:	\$41,250.00
Sales Tax Rate	<u>.07555*</u>
Total Sales Tax	\$3,116.44

*all sales tax levies, city, state, local, at point of delivery

Modular homes are not subject to title and registration. If sales tax (not excise tax) was paid and the homeowner has a receipt, the home will be classified as modular and not manufactured.

**RULES
&
STATUTORY

GENERAL INFORMATION

[Rule 710:60-3-130 thru 710:60-3-132]

Manufactured homes are defined as structures, transportable in one or more sections, which, in the traveling mode, are eight (8) feet or more in width or forty (40) feet or more in length, or, when erected on site, are more than 320 square feet, and which are built on a permanent chassis and designed to be used as dwellings with or without permanent foundations when connected to the required utilities, and include the plumbing, heating, air conditioning, and electrical systems contained thereon. **[O.S. TITLE 47 § 1102]**

Manufactured homes purchased new or brought in from another state are initially titled and registered at motor license agencies. Thereafter, they are placed on county ad valorem tax rolls and are issued registration renewal decals by the County Treasurer. **[O.S. TITLE 47 § 1113]**

- Registration fees are collected for the balance of the year in which the MH was purchased new, or entered from another state. Refer to **Calendar Year Registration** (non-staggered) for information on determining the applicable registration period. **[O.S. TITLE 47 § 1115]**

PURCHASE PRICE/VALUE OF MANUFACTURED HOME

Registration fees and excise tax are based upon the actual purchase price of the home or, if no sale has taken place, the current value of the home. **[O.S. TITLE 68 § 2104.3 & 47 § 1135]**

- The purchase price or current value is to be entered as the factory and total delivered price on an original Oklahoma title. If a purchaser has no bill of sale, a copy of the dealer contract, cancelled check (VIN not required), or bank draft will be acceptable. If none of those items are available, the purchaser may complete a **Declaration of Vehicle Purchase Price** form, or you may email FDP001 for a value to be established.
- When current value is obtained through FDP001, print out and attach to the OTC copy of the title work a copy of the message received from FDP001.
- *Prices or values listed on a **Manufactured Home Certificate (OTC Form 936)** do not reflect the actual cash value and are **not** to be utilized in determining taxable value.*

EXCISE TAX RATE

Excise tax on **new** manufactured homes is three and one-quarter percent (3¼%) of one-half (1/2) of the actual purchase price/value.

On a **used** manufactured home, the three and one-quarter percent (3¼%) excise tax rate is applied to sixty five percent (65%) of one half (1/2) of the actual purchase price/value.

REGISTRATION PENALTY

Should a new or used manufactured home not be registered within thirty (30) days from the date of purchase or date of entry into this state, a registration penalty in an amount equal to the registration fee, less \$5.75, is to be assessed. [O.S. TITLE 47 § 1115]

VIN FORMATION BY OTC GUIDELINES

When an MSO, out-of-state title or Lien Entry Form contains dashes or slash marks and/or lists more than seventeen (17) alphanumeric characters in the V.I.N., dashes and slash marks are **ignored** and additional characters are **dropped** from the **front** of the number to make a total of seventeen (17) characters.

Example: An out of state title lists the V.I.N. as "ARSNNASH-AR9493-AG9493".

Solution: Ignore slash marks and dashes - they are not to be included in the V.I.N. recorded in the Oklahoma record. The V.I.N. should be entered as "NNASHAR9493AG9493"

DOUBLE WIDE MANUFACTURED HOMES

When processing a title for a double wide manufactured home, two (2) Manufacturer's Statements of Origin (MSO) will normally (*not always*) be submitted. One (1) MSO will list the serial number with an "A" (or some other letter) and One (1) MSO will list the serial number with a "B" (or some other letter different from the accompanying MSO). The letters normally appear at the end of the serial number, but may appear anywhere within the number.

- When issuing the title, list the serial number (once) and place the "A" and "B" (or other such letters) **together** in the serial number at whatever point they appear within the serial numbers listed on the MSO's. Such a notation indicates the manufactured home is a double wide.

Example: MSO #1 V.I.N. listed as "123A456", MSO # 2 V.I.N. listed as "123B456"

Solution: Enter V.I.N. on the Oklahoma record as "123AB456."

- If more than seventeen (17) characters remain, drop characters from the **front** of the number to make a total of seventeen (17) characters, as in the first example box above.

MANUFACTURED HOME REGISTRATION
[O.S. TITLE 47 § 1115] [RULE 710:60-3-12, 710-60-3-13, 710:60-3-130]

Manufactured homes are registered on a calendar year basis (December expiration). The registration period (full year, $\frac{3}{4}$ year, $\frac{1}{2}$ year or $\frac{1}{4}$ year) is based on the purchase date/entry date. Refer to **Calendar Year Registration** for information on determining the applicable registration periods.

- New manufactured homes *purchased* in the month of December and used manufactured homes *entering* this state in the month of December, are to be charged a *full year* registration to expire at the end of the following year.
- Manufactured homes purchased new or entering Oklahoma *prior* to December of any year, but not titled until the *following* calendar year must provide proof of paid ad valorem tax for the *calendar year the title is being issued* (current year) before any transaction will be allowed. In addition, registration fee and penalty is to be collected by the titling motor license agent for the year of purchase or entry.

MOVING A MANUFACTURED HOME
[O.S. TITLE 47 § 1117]

When a home, previously titled in Oklahoma, is to be moved, the owner must obtain a move permit from the Department of Public Safety (D.P.S.). In most instances, proof of paid current year ad valorem taxes, or a current license plate and registration decal, must be presented.

- A reposessor may obtain a D.P.S. move permit prior to obtaining a repossession title. Refer to the **Manufactured Home Repossessions Chapter** for additional information.
- A licensed manufactured home dealer may obtain a D.P.S. move permit by presenting a trade-in affidavit (Affidavit forms provided by D.P.S. Size & Weights Division). Refer to **Manufactured Home Dealers** section of this chapter for more information.

TRANSFER OF OWNERSHIP
[O.S. TITLE 47 § 1113 & 68 § 2813] [RULE 710:60-3-130]

When ownership of a manufactured home previously titled in Oklahoma is being transferred, proof of paid *current calendar year* ad valorem taxes, or a release indicating no current calendar year ad valorem taxes are due, must be submitted before transferring title, unless the home is being sold on a title which is in the name of a licensed dealer (Refer to **Used Manufactured Home Dealers** section), or an original Oklahoma title was issued earlier that same calendar year and the system reflects current registration.

Proof of payment or release should be in the form of a **Manufactured Home Certificate (OTC Form 936)**. Fax copies or photocopies are acceptable.

CALENDAR YEAR REGISTRATION (NON-STAGGERED)
[O.S. TITLE 47 § 1115] [RULE 710:60-3-13]

Vehicles registered under the provisions of the International Registration Plan (prorated vehicles), Special Mobilized Machinery, the Installment Registration Plan (1/2 year plates) and manufactured homes are registered on a calendar year basis (*December* expiration).

The following *quarterly periods*, in which a vehicle is purchased *or* enters the state, determines the portion of a full year registration fee due:

<i>December 1 through March 31:</i>	Full Year tax due
<i>April 1 through June 30:</i>	3/4 Year tax due
<i>July 1 through Sept. 30:</i>	1/2 Year tax due
<i>October 1 through Nov. 30:</i>	1/4 Year tax due

*Note: Any manufactured home purchased or entering from another state on or after December 1st of any year is to be charged a **full year** registration to expire the **next** calendar year.*

To denote other than a full year period on a calendar year registration, enter "**Q3**" for 3/4 year, "**Q2**" for 1/2 year or "**Q1**" for 1/4 year in the "*Special Field*" on the registration entry screen.

Trucks or tractors currently registered in Oklahoma under the staggered registration plan may change to a prorated registration at any time and receive credit for the unused portion of the staggered plate, *less \$5.75*.

NEW AND USED MANUFACTURED HOME DEALER LICENSE PLATES
[O.S. TITLE 47 § 1128 & 1137.1]

Fee: \$16.00 *Expiration:* December

1. New and used manufactured home dealer plates are issued by the Accounting Section of the Motor Vehicle Division.
2. Before accepting an original or renewal application for new and used manufactured home dealer plates, the applicant must be licensed and approved for *each* location by the Used Motor Vehicle & Parts Commission.
3. If additional plates are required, an application must be completed by the dealer and submitted to the Accounting Section.

MANUFACTURED HOME DEALERS

There is no licensing distinction between a new and used manufactured home dealer in Oklahoma. Manufactured home dealer licenses are issued by the OK Used Motor Vehicle & Parts Commission and encompass sale of both new and used manufactured homes.

TITLING AND REGISTRATION OF A USED MANUFACTURED HOME

Any used manufactured home on a dealer lot as of January 1 of any year must be titled (if not already) and registered in the dealer's name for that year. The dealer must present proof of paid ad valorem taxes or registration fees for the previous year. A full year registration fee, based upon the purchase price, is to be assessed and a current year registration decal issued. That registration must be renewed the following year, if the home is still in the dealer's possession as of January 1.

- If a dealer does not title such a home by February 1, registration penalty begins accruing at \$.25 per day for a period of three (3) months. Thereafter, a maximum penalty of \$25.00, not to exceed the registration fee due, applies. [O.S. TITLE 68 § 2811]

Other than the above, manufactured home dealers are required to obtain title in their name only on homes which they have acquired on out of state titles, or on Oklahoma titles on which they are the last assignee.

- When a dealer is obtaining an original Oklahoma title in their name on a home which has been brought in from out of state, the *remaining portion of the current calendar years* registration fees are due. [O.S. TITLE 47 § 1113]
- When a dealer is obtaining title in their name due to being the last assignee on the Oklahoma title, proof of *current calendar year* registration fees, paid current calendar year ad valorem taxes, or a release indicating no current year ad valorem taxes are due, must be submitted.

MOVING A MANUFACTURED HOME

[O.S. TITLE 47 § 1117]

Before a manufactured home dealer may move a home which has been previously titled in Oklahoma, they must obtain a D.P.S move permit. The dealer will be responsible for paying any unpaid ad valorem taxes due on the home within thirty (30) days of the permit issuance date. However, they are not required to title the home in the dealership's name at that time. The title will remain in the name of the former owner, until sold or until January 1 of the following year, at which point – if still in the possession of the dealership – the dealer must obtain title..

TITLING AND REGISTRATION OF A NEW MANUFACTURED HOME

[O.S. TITLE 47 § 1117 & 68 § 2104.3]

Licensed Oklahoma manufactured home dealers may reassign ownership on the MSO of new manufactured homes. However, should a manufactured home dealer *choose* to title a new manufactured home in the dealership's name by surrendering an MSO, first year excise tax and registration fee, to expire in December of the current year, are due.

LICENSE PLATE / REGISTRATION DECAL ISSUANCE
[O.S. TITLE 47 § 1113] [RULE 710:60-3-130]

All manufactured homes are required to display a license plate and two (2) registration decals.

- Two (2) identical registration decals, displaying the same number, are to be issued. One (1) is to be affixed to the license plate and one (1) is to be affixed to the exterior of the window nearest the front door.

Replacement License Plate / Registration Decal

Should a previously titled home need a license plate *only*, and *no change of ownership* is taking place, a plate may be issued upon proof of paid current ad valorem tax or registration fee. In this situation (*only*), current taxes may very well be the previous calendar year.

- For example, if the home is on the ad valorem tax rolls, the tax is usually collected at the end of a calendar year. If no *move* or *ownership change* has taken place in the current calendar year, the previous year ad valorem taxes may well be the most recent taxes paid. In that situation, upon proof of paid ad valorem taxes for the previous year, a replacement plate *and* a registration decal corresponding to that paid tax year (previous calendar year) are to be issued.

The fee for a replacement manufactured home license plate is \$3.25, including the MLA fee. To issue a replacement plate, utilize **MVAR** and process as a *renewal* registration (*not as a lost, stolen or mutilated transaction*) and enter “SS” as a **Special Code**.

Should the taxpayer need a replacement *only* for the yearly validation decal *issued by the county treasurer* upon payment of ad valorem taxes, they should be directed to obtain a replacement decal from the county treasurer.

NOTE: The county treasurer may issue a previous year decal upon payment of the second half of ad valorem tax. Current year decals are for current year tax payment only.

DUPLICATE MANUFACTURED HOME TITLES

Proof of paid current ad valorem tax or registration fee is *not* required for issuance of a duplicate manufactured home title.

MANUFACTURED HOMES ASSESSED AS REAL PROPERTY
[O.S. TITLE 68 § 2105] [RULE 710:60-3-132]

A manufactured home that is assessed as part of the real property on which it is located and sold with the property is exempt from the assessment of excise tax. Documented proof that the manufactured home has been included in the property assessment is required before transferring.

- The proof required is a deed listing the manufactured home by V.I.N., year, make and model. A copy of the deed is to be attached to the title transaction as supporting documentation for the excise exemption. The OTC 936 form listing the manufactured home as real property is not acceptable documentation to exempt excise tax.

ACTIVE DUTY MILITARY PERSONNEL
[O.S. TITLE 47 § 1127] [RULE 710:60-3-131, 710:60-3-132 & 710:60-3-167]

As described below, *certain* manufactured homes owned by active duty military personnel are entitled to the special \$21.00 annual registration fee.

The special military registration rate applies *only* to the following two (2) scenarios:

- *Out of state resident* active duty military personnel *stationed* in Oklahoma; *or*
- *Oklahoma resident* active duty military personnel, *when the manufactured home is located out of state.*

A properly completed **U.S. Armed Forces Affidavit (OTC Form 779)** must be submitted and sent to OTC, attached to the registration receipt.

- *Manufactured homes located in Oklahoma and owned by Oklahoma resident military personnel are not entitled to the special military registration rate. Such manufactured homes are subject to county ad valorem taxation.*

CANCELLATION OF MANUFACTURED HOME TITLE
[O.S. TITLE 47 § 1110]

Owners of manufactured homes that have been *permanently affixed* to real estate that they also own *may* make application to cancel the Oklahoma certificates of title. Application may be made through OTC or any motor license agency. A *successful* cancellation will consist of the following:

- Submission of the Oklahoma certificate of title for the manufactured home, *in the name of the applicant.*
- Verification that *no active lien* appears on the record.
- Completion of an **Application for Title Cancellation of a Manufactured Home Permanently Affixed to Real Estate** (Form 756).
 - *Before the title may be cancelled by an MLA*, the applicant must take this form to the applicable County Assessor's office, for their listing and certification of the land description and owner of record. Faxed copies of this completed form are acceptable.
 - Cancellation of the title must take place within sixty (60) days of the County Assessor's confirmation date. If more than sixty (60) days have elapsed, a new Form 756 must be completed and certified.
- Completion of a **Notice to County Assessor of Cancellation of Oklahoma Certificate of Title** (Form F.L. 756) and forwarding it, along with a copy of the **Application** (Form 756), to the county assessor of the county in which the property on which the manufactured home is permanently affixed is located. The form must be completed in its *entirety*, including the county of location, owner and a legal description of the property where the manufactured home is located.

- Remittance of an application fee of \$5.00, which is retained by OTC or the cancelling motor license agent, *provided* the cancellation of title is completed.

After *all* of the referenced steps have been completed, the completed **Application**, miscellaneous fee receipt recording the cancellation fee and the title certificate are to be forwarded to OTC, *bundled separately within the semimonthly report and clearly labeled “Manufactured Home Title Cancellation”*. Upon receipt, the documents will be forwarded to the Title Section for review and cancellation of the title.

TITLE CANCELLATION FEE RECEIPT

Many lenders require from their customers a receipt for the \$5.00 manufactured home cancellation fee before closing their loan transaction. Therefore, a miscellaneous fee receipt is to be issued to account for the cancellation fee.

- In the “**Other Type**” field, enter “Cancel”. In the “**Remarks**” field, enter the V.I.N. of the manufactured home and the notation “Title Cancelled – Real Estate”.

ORIGINAL TITLE CANCELLATION

Should an original title applicant wish to cancel the manufactured home title at time of original title application, that may be accomplished by following all ordinary titling steps (entering title and registration transaction information and collecting all applicable taxes and fees) with the *addition* of one step: The title is to be placed on “**CN**” (cancel) hold.

Attach one (1) copy of the title receipt to the miscellaneous fee receipt recording the cancellation fee and the **Application for Title Cancellation of a Manufactured Home Permanently Affixed to Real Estate** (Form 756) and submit to OTC, *bundled separately within the semimonthly report and clearly labeled “Manufactured Home Title Cancellation”*. Upon receipt, the documents will be forwarded to the Title Section for title cancellation.

- The purpose of the **CN** hold is to prevent issuance of a title while the cancellation documentation is being forwarded to, and processed by, MV personnel.
- A “**CN**” hold is the **only** hold that may be placed on the record. It may not be utilized in conjunction with a document hold. An MSO or out of state title **must** be submitted.
- All other cancellation procedures remain in place.
- All fees remain due, including the \$5.00 cancellation fee, title fee, excise tax and registration fee.

CANCELLATION WHEN TITLE HAS BEEN LOST

Should a record owner wish to cancel his or her manufactured home title, but has mislocated their title, they are not required to obtain a duplicate before canceling. Simply print out a copy of the **MVIN** screen and attach to the Form 756 (**Application for Title Cancellation**), as well a copy of the \$5.00 miscellaneous fee receipt, and submit to OTC, *bundled separately within the semimonthly report and*

clearly labeled “Manufactured Home Title Cancellation”.

If the record has been purged, it will have to be researched and rebuilt in the normal manner before cancellation may take place.

All other cancellation procedures will apply.

SEE: OTC Motor Vehicle Rule 710:60-3-133

CANCELLATION IN CONJUNCTION WITH A LIEN RELEASE

Should a manufactured home title be presented for cancellation which reflects a lien on its face, but a proper lien release for that lien is also presented, the title may be cancelled in the normal manner.

- **Do not** release the lien. Attach the lien release to the title and **Application for Title Cancellation** (Form 756) and submit to OTC, along with a copy of the \$5.00 miscellaneous fee receipt, *bundled separately within the semimonthly report and clearly labeled “Manufactured Home Title Cancellation*

UNSUCCESSFUL APPLICATION FOR CANCELLATION OF TITLE

Oklahoma statutes require that notice be given to the owner and lienholder of a manufactured home on which an **Application for Cancellation** has been applied for, but must be denied due to the existence of an *active lien*.

- Should you receive an Application for a manufactured home on which an *active lien* is reflected, the application is to be *denied*. The title and \$5.00 fee are to be returned to the applicant.
- A **Notice to Owner of the Existence of an Active Lien Upon Application to Cancel Oklahoma Certificate of Title** (Form F.L. 756 B), listing the active lienholder, is to be completed and returned to the applicant.
- A **Notice to Lienholder of Application to Cancel Oklahoma Certificate of Title** is to be completed and forwarded to the lienholder.

REINSTATEMENT OF CANCELLED MANUFACTURED HOME TITLE [O.S. TITLE 47 § 1110]

Application for reissuance of an original Oklahoma title to a manufactured home on which the previous Oklahoma title was cancelled due to the home’s attachment to real estate may be made by following the process outlined below. Bear in mind:

- This reinstatement process is applicable *only* to manufactured home titles *cancelled due to attachment to real estate* – not Oklahoma titles cancelled due to the manufactured home being titled in another state. The **MVIN** record of a manufactured home cancelled due to real estate attachment will have a notation **“Title Cancelled – Real Estate”** in the **Lessee** field.

If you are uncertain of a manufactured home's eligibility for this reinstatement process, contact the MVD Title section for assistance and direction.

APPLICATION FOR REINSTATEMENT

To apply for reinstatement, the owner is to complete a **Manufactured Home Application for Reinstatement of Cancelled Title** (701-45). As outlined on the form, the applicant is required to provide two documentary items:

(1) an attestation from the homeowner indicating ownership of the manufactured home and the nonexistence of any security interest or lien of record in the manufactured home, and

(2) a title opinion by a licensed attorney, determining that the owner of the manufactured home has marketable title to the real property upon which the manufactured home is located and that no documents filed of record in the county clerk's office concerning the real property contain a mortgage, recorded financial statement, judgment, or lien of record.

The statement required under (1) above is included on the **Application for Reinstatement**. The attorney's title opinion is a separate document that must be provided by the applicant. As outlined in the **Notice** at the bottom of the **Application**, an acceptable title opinion *must*:

- 1) Contain all information outlined under (2) above
- 2) Be signed by the issuing attorney, on his/her letterhead
- 3) Be dated, or updated, within thirty (30) days of the date application for title reinstatement is submitted to MVD or an MLA

OTC APPROVAL / ISSUANCE OF TITLE

Until further notice, all such applications are to be submitted (mailed or faxed) to the MV Title Consultants for review and approval.

- If approved, a new, *original* Oklahoma title is to be issued and registration fee collected for the balance of the calendar year – in the same manner as registration fees are computed for a newly purchased manufactured home. Email FDP001 for a current value.
- No **Form 936** is required. No excise tax is to be collected.

MANUFACTURED HOME REPOSSESSIONS [O.S. TITLE 47 § 1110] [O.S. TITLE 68 § 2813]

Except as noted below, and except for V.I.N. / odometer inspection requirements – which never apply to manufactured homes – repossession documentation and procedural requirements for manufactured homes are identical to those outlined for vehicles. Just as for vehicles, excise tax is never assessed the reposessor. However, there are significant differences in the areas of manufactured home registration fee assessment and county ad valorem tax verification.

MANUFACTURED HOMES PREVIOUSLY TITLED IN OKLAHOMA

Moving the MH

When a manufactured home previously titled in Oklahoma is being repossessed, the reposessor may initially obtain a D.P.S. move permit without obtaining title in their name. This is to enable the home to be moved immediately. However, in that situation, the reposessor must make application for a repossession title within thirty (30) days of the permit issuance date.

Ad Valorem Taxes

Proof of paid *current year* ad valorem taxes or no taxes due, in the form of a copy of the original **OTC Form 936**, must be presented, *unless* an *original* Oklahoma title was issued earlier that *same calendar year* and *current* registration is reflected.

License Plate

If needed, a manufactured home license plate may be issued for a fee of \$3.25.

MANUFACTURED HOMES NOT PREVIOUSLY TITLED IN OKLAHOMA

When an *original* Oklahoma repossession title is being issued to a manufactured home, registration fee for the *balance* of the calendar year *in which the home was purchased* (if new) or *entered Oklahoma* (if previously registered in another state), is to be collected, in addition to the \$46.00 repossession fee.

- The date of purchase listed on the contract is to be used to determine the proper quarter of year registration fee due (Full year, $\frac{3}{4}$, $\frac{1}{2}$, or $\frac{1}{4}$).
- If the home was originally purchased (new) or entered Oklahoma (used) during the *current* calendar year, registration fee for the applicable portion of the current year is to be collected. A license plate and current year registration decal are to be issued.
- If the home was originally purchased (new) or entered Oklahoma (used) during a *previous* calendar year, registration fee for the applicable portion of the *year of purchase/entry* is to be collected *and* a Form 936 reflecting paid ad valorem taxes for the *current* calendar year must be submitted. A license plate is to be issued with a *previous* year decal.
- No excise tax is due.

No excise tax is due from the reposessor on any repossession title - original or transfer.

PART 13. MANUFACTURED HOMES

710:60-3-130. Manufactured homes

- (a) **Definition. "Manufactured home"** means a residential dwelling built in accordance with the provisions of 42 U.S.C. § 5401.
- (b) **Initial title and registration.** In most instances, manufactured homes purchased new or brought in from another state are initially titled and registered at motor license agencies. Thereafter, they are placed on county Ad Valorem tax rolls and will be issued registration renewal decals by the County Treasurer.
- (c) **License plate and decal required.** A manufactured home license plate and registration decal are required on all manufactured homes registered in this State.
- (d) **Fees may be prorated for remainder of current year.** For those manufactured homes purchased new or coming in from another state, license plates and corresponding registration decals shall be issued upon payment of the applicable registration fee for the balance of the year.
- (e) **Issuance of license and decal for currently registered manufactured homes; proof of payment of ad valorem tax.** For those manufactured homes already located and registered in this State on December 1, 1988, a license plate and registration decal shall be issued upon proof of current Ad Valorem taxes paid. Proof of payment must be in the form of a Manufactured Home Tag Certification Form or Manufactured Home Certificate (OTC Form 936). When presented with proof of payment, a license plate and corresponding decal will be issued for a total fee as set forth by statute.
- (f) **Basis used for registration fee and excise tax.** Both the registration fee and the excise tax assessment are based upon the selling price of the manufactured home. The selling price will be recorded as both the Factory Delivered Price (FDP) and the Total Delivered Price (TDP) when issuing an original Oklahoma title.
- (g) **Excise tax on manufactured homes.** The excise tax on new manufactured homes is levied on one-half 1/2 of the retail selling price. The excise tax on a used manufactured home will be applied to sixty-five percent (65%) of one-half the resale price. The excise tax rate is levied by the Oklahoma Statutes.
- (h) **Sale of manufactured home; transfer of title; change of basis.** If the manufactured home is sold, the title must be transferred to the new owner, who will have the title issued in his/her name. The FDP should be changed to reflect the purchase price. However, the TDP listed on the title will not be changed.
- (i) **Proof of payment of ad valorem tax required upon transfer.** Proof of current paid ad valorem taxes must be obtained before transferring ownership of a manufactured home.
- (j) **Manner of proof.** Acceptable proof of paid ad valorem taxes will be a Form 936 Manufactured Home Certificate or other receipt issued by a county treasurer which lists the manufactured home being transferred and clearly designates that taxes for the current calendar year have been paid in full.
- (k) **When other basis used in determining tax.** Should the manufactured home be repossessed or brought in used from out-of-state, the "blue book" suggested selling price will be used as a base price for the registration and collection of excise tax.
- (l) **Late registration; penalties.** The penalty for late registration of manufactured homes, which are those not registered within the 30 day period from the date of purchase or the date the manufactured home was brought into this state, shall be an amount equal to the registration fee, less the administrative fee, as set forth by statute.

710:60-3-131. Manufactured homes generally subject to ad valorem assessment

Since January 1, 1985, all existing manufactured homes have been subject to assessment for real property or personal property ad valorem taxes by the county assessor except for:

- (1) Nonresident serviceman's manufactured home.
- (2) Manufactured home brought into this State.
- (3) New manufactured homes.
- (4) Manufactured homes on a dealer's lot.

710:60-3-132. Specific examples and applications

The following is applicable to manufactured homes by categories:

- (1) **Transfer of a new manufactured home from a dealer to owner.** Owner applies for a certificate of title, pays Excise Tax and registration fee and receives license plate and registration decal.
- (2) **Transfer of a used manufactured home which has been registered in this state.** The new owner obtains a Certificate of Title upon payment of the excise tax and title fee and furnishing proof of current ad valorem taxes paid.
- (3) **Manufactured homes brought into this State.** The owner obtains a Certificate of Title upon registration and pays the excise tax if due. If the nonresident owner registered his home in his former state of residence at least sixty (60) days before moving into this State, no Excise Tax is due.
- (4) **Manufactured home of serviceman.** If the owner of the home is an active duty, nonresident serviceman stationed in Oklahoma, or an Oklahoma resident stationed out-of-state due to official assignment, the manufactured home is to be registered annually, at the special, military personnel rate. An Armed Forces Affidavit must be submitted.
- (5) **Manufactured homes on a used manufactured home dealer's lot.** Manufactured homes on used dealer lots on January 1st will be exempt from Ad Valorem assessment but must be registered for the full year. A title must be issued in the dealer's name. If the manufactured home is not registered before February 1st, penalty is charged according to 710:60-3-36.
- (6) **Repossessed manufactured homes.** The reposessor may title the manufactured home upon furnishing proof of payment from the county treasurer of all current taxes on the manufactured home.
- (7) **Transfer of a manufactured home as real property.** A manufactured home which is assessed as part of the property on which it is located and sold with the property is not subject to payment of excise tax by the purchaser. Proof that the manufactured home has been included in the property assessment is required before transferring.

710:60-3-133. Cancellation of manufactured home title

Owners of manufactured homes that have been permanently affixed to real estate may make application to cancel the Oklahoma certificate of title. Only the owner of record on the Oklahoma title, out of state title, or assigned MSO, may make application through the Tax Commission or any Motor License Agent.

- (1) Owners of new manufactured homes, or previously titled manufactured homes entering from another state, may make application to cancel the Oklahoma manufactured home title before it is issued, by submitting the MSO or out-of-state title for cancellation. The Oklahoma title will be placed on 'CN' (cancel) hold.
- (2) Other than as described in (1) of this Section, an Oklahoma certificate of title for the manufactured home in the name of the applicant must be submitted. If a record owner seeks to cancel a manufactured home certificate of title, but is unable to produce the title certificate, a printout generated from the Commission computer file, verifying record ownership, will suffice in lieu of a title. The printout is to be attached to the Application for Title Cancellation.
- (3) Proof of ownership must be submitted to the county assessor's office where the home is located, along with a completed Application for Title Cancellation. The county assessor's office will ensure the title owner and landowner are one and the same, and validate the cancellation application.
- (4) An application fee set forth by statute must be remitted with the cancellation application.
- (5) The Tax Commission or Motor License Agent must verify that no active lien appears on the record. If an active lien is reflected, a Cancellation Denial Notice will be given to the owner and the lienholder. The owner will be given a "Notice to Owner of the Existence of an Active Lien upon Application to Cancel Oklahoma Certificate of Title" and the application fee will be returned. The lienholder will be given a "Notice to Lienholder of Application to Cancel Oklahoma Certificate of Title". The Oklahoma title will not be cancelled until all liens are released.
- (6) A copy of the "Application for Cancellation Form" and the "Notice to County Assessor Form" will be forwarded to the county assessor of the county in which the property is located by the Motor License Agent after receiving the completed cancellation application documentation, approved by the county assessor's office, and payment of the applicable cancellation fee.

710:60-3-134. Reinstatement of cancelled manufactured home title

Owner of a manufactured home upon which the certificate of title has previously been cancelled due to attachment to real estate may apply to the Oklahoma Tax Commission or a motor license agent for reinstatement and issuance of a new original certificate of title.

- (1) The reinstatement application is to be completed by the owner of record. There are two (2) documentary requirements on the application for reinstatement:
 - (A) The homeowner must attest ownership of the manufactured home and the nonexistence of any security interest or lien or record in the manufactured home; and
 - (B) The homeowner shall provide a title opinion by a licensed attorney, declaring that the owner of the manufactured home has a marketable title to the real property upon which the manufactured home is located and that no documents filed of record in the county clerk's office concerning the real property contain a mortgage, recorded financial statement, judgment, or lien of record. The opinion must be signed by the issuing attorney, on his/her letterhead and be executed, or updated, within thirty (30) days of the application date.
- (2) A properly completed application for reinstatement may be submitted to the Oklahoma Tax Commission or a motor license agent. Reinstatement applications submitted to a motor license agent shall be forwarded to the Oklahoma Tax Commission for approval.
- (3) Upon approval by the Tax Commission, a new original certificate of title shall be issued and registration fees collected for the balance of the calendar year.

Manufactured Homes Frequently Asked Questions

TRIBAL REGISTRATION:

Question: If a MH is located on Indian Trust Land and is owned by someone other than the land owner, is the MH exempt from ad valorem tax?

Answer: Only if the owner of the manufactured home is a tribal member in good standing of the same tribe that the land is held in trust for. The owner of the manufactured home does not have to be the same person that owns the land. If the owner of the manufactured home is a member of a different tribe the manufactured home is taxable.

Question: If a manufactured home is registered and has a tribal title and tag but is not located on Indian trust land, is the home taxable ad valorem?

Answer: Yes. The home should have an Oklahoma tag and title. Beginning the following January 1st assessment date after initial tribal registration, the home will be taxed ad valorem as homes with non-tribal registration.

Question: What does the assessor do if the home has a tribal tag and is not located on restricted land? Is it taxable? Does the tribal tag make any difference?

Answer: If not located on restricted land, the home is taxable.

Question: Can the assessor issue a Form 936 if the home has a tribal tag?

Answer: Yes, if the home is taxable, regardless of how it is tagged.

Question: If a manufactured home is located on restricted Indian land, has an Oklahoma title, and owned by a non-tribal member, is it subject to ad valorem tax? What if owned by a tribal member?

Answer: Yes. If a home is located on restricted land and owned by a tribal member is not subject to ad valorem tax.

SURRENDER OF TITLE:

Question: How is a manufactured home title canceled or surrendered?

Answer: The owner of the manufactured home must begin the process by contacting a Motor License Agent. The agent will process the application and will advise the assessor when the title has been canceled (OTC Form FL-756).

Question: Is the OTC Motor Vehicle Division Form FL-756 the only recognized form for notice of title cancellation or surrender? Some finance companies have their own forms.

Answer: Yes. There are no other forms or notices that are recognized by the state. Forms from lenders or any other entities are not recognized. Do not indicate "canceled" based on any form other than the

OTC Form FL-756.

Question: When completing the Application Form 756, does the taxpayer have to come into the assessor's office to verify ownership or can the mortgage or closing company mail or fax the assessor the form for verification?

Answer: Yes. You may use the mail or fax the Application Form 756.

Question: If a manufactured home owner has surrendered (cancelled) the title and at a future date wants to move the home, what is the procedure?

Answer: The record owner of the manufactured home must apply to the Tax Commission for issuance of a new certificate of title. The homeowner must provide documents that the land owner is the owner of the manufactured home and that there are no security interests or liens. In addition, the owner must provide a title opinion by a licensed attorney determining that the owner of the manufactured home has marketable title to the real property upon which the manufactured home is located. [See: 47 O.S. 2007 Supp., § 1110]

Upon issuance of the new certificate of title, the same moving requirements will apply as for other titled manufactured homes.

Question: If the title has been improperly surrendered "cancelled" on a manufactured home that is not located on land owned by the owner of the manufactured home, what should the assessor do?

Answer: This should no longer be an issue. With the new procedures using OTC Application Form 756, the county assessor must verify the status and ownership of the home prior to calculation. The applicant must go to the county assessor first to implement the process.

Question: What does "permanently affixed" mean?

Answer: Currently Oklahoma Statutes do not provide a definition. When used in the context of title surrender or cancellation, the owner certifies that the manufactured home is "permanently affixed" to the real estate. Homes that have not had their titles canceled should be carried as manufactured homes on the assessment roll.

Question: Can the "new original" title on cancelled titles be required to have a 936 like the ones for the MSO to the original title?

Answer: There is not a 936 requirement when making application to cancel the title. The statutorily required title opinion will address any outstanding taxes against the property. If the home is to be moved, the same requirements apply as any other used home. The 936 would then be required. The home does not revert to a manufactured home until a new title is issued.

Question: What is the procedure for "reinstatement" of titles that have been previously cancelled? How will the assessor be notified? Is there anything that the assessor needs to do? Are there OTC Rules?

Answer: Refer to the Quick Reference Guide section.

Question: What is the procedure for obtaining a title for a home that has been placed on real estate and there is no MSO or VIN number available?

Answer: Contact the OTC Motor Vehicle Title Section at (405) 521-3221. A Court Order may be required.

Question: When a home that has had the title surrendered or cancelled and at a later date makes application for a new title, is there an excise tax paid at the time the new title is issued? If so, does the payment of the excise tax exempt the ad valorem tax for that year?

Answer: There is no excise tax charged when issuing a new title. Only the tag and registration fee is charged. Ad Valorem Tax is still due on the home.

Question: Could the assessor's office get a print-out or list of manufactured homes that have had the titles cancelled located in their county from the Motor Vehicle Division?

Answer: Yes. A semi-annual printout listing from OTC lists all manufactured home activity. A county may also request information printout anytime from the Motor Vehicle Division. (See: 47 O.S. § 1119)

MANUFACTURED HOME CERTIFICATE FORM 936

Question: If the owner of a manufactured home does not have an Oklahoma title and wants to assess or move the home, do they need to get an Oklahoma title?

Answer: Yes. If there are ad valorem taxes due on the manufactured home, complete as much information as possible on the OTC Form 936. Inform the county treasurer to accept payment of all taxes and hold the decal (**Do not put the decal number on the 936**). The owner of the home will present the copy of the Form 936 to the motor license agent with the receipt from the county treasurer for all ad valorem taxes. After the title has been issued, the owner will return to the assessor and treasurer where the Form 936 will be completed and the decal issued.

Question: What if the Form 936 applicant does not know all the information requested on the 936?

Answer: The Form 936 is a tracking devise and a receipt of taxes paid. It is extremely important that all information is properly completed. Insist that all information be properly completed. A short delay may save many hours of frustration later by the homeowner and receiving counties.

Question: How do you get a Form 936 for an out of state title?

Answer: If the home is located in Oklahoma and has taxable situs the owner must have an Oklahoma title. Refer to the motor license agent for an Oklahoma title.

Question: When getting a Form 936, must the owner have a title, hard tag and decal?

Answer: The applicant must have an Oklahoma title. The hard tag may be obtained from the motor license agent when a current year decal is presented.

Question: Do homes coming in to Oklahoma from out of state need a Form 936?

Answer: No. Until the home has taxable situs in Oklahoma, no Form 936 is required.

Question: Does "Current Year Decal" mean the current calendar year or the year that the tax was paid?

Answer: "Current Year Decal" must be the current calendar year. If the Form 936 is issued in 2008, the decal must be a 2008 decal.

Question: Do you have to get a new Form 936 every time a manufactured home moves or title work is done?

Answer: A current calendar year Form 936 should be obtained each time the home is moved if not on a dealer's lot January 1 and titled and registered in the dealer's name. The Form 936 is used as a tracking device as well as a receipt of taxes paid. If the home is not on the dealer's lot January 1, a current year Form 936 is required. D.P.S. will issue a size and weight permit for homes having a current year decal. A home may be moved unlimited times in the same calendar year with a current year decal.

Question: May a single Form 936 be used for multiple homes?

Answer: No. One Form 936 must be used for each home. The exact amount of tax for the subject home must be indicated by the county treasurer on the form.

Question: Can you move a home as many times as needed on one (1) current year 936?

Answer: If there is a current year 936, the home can be moved multiple times within the same year on the original 936. However, we do recommend that a 936 is issued each time the home is moved for tracking purposes. If only moving, mark the 936 "No Taxes Due".

Question: What are the exceptions that a Form 936 is not required for a move or change in title?

Answer: When Moving:

- Trade in to a dealer
- Repossession
- New home moving to buyer or another dealer
- Home moving out of state
- Cancelled title
- Current registration (First year in Oklahoma, Title in the name of an Oklahoma MH dealer or Non-resident Military)

Title Changes:

- MH title in the name of a MH dealer with proof of current year registration.
- MH titled by non-resident Military personnel (Armed Forces Affidavit) with proof of current year registration.
- MH title and registered in Oklahoma for the first time with current year registration. (not the \$3.25 replacement tag fee)
- Duplicate Title (issued only to the last owner of record according to OTC files)

REPOSSESSIONS AND DEALER TRADES:

Question: When legally repossessing a manufactured home, does a Form 936 have to be issued at time of repossession?

Answer: No. The repossessing agent has thirty (30) days in which to complete all paperwork and pay all outstanding taxes. The title work will not be completed without a current Form 936. They may move the home to a secure location with a Repossession Affidavit available from any motor license agent (OTC Form 737). If not moving, no repossession affidavit is required.

Question: Do repossessing agents or lenders have the same benefits as licensed dealers?

Answer: No. Agents and lenders are treated as individuals unless they are licensed Oklahoma dealers.

Question: Are lenders authorized to use Repossession Affidavits?

Answer: Yes. However, lenders are not authorized to use Dealer Trade Affidavits.

Question: Are repossessed homes held for consignment or resale required to have a current year Form 936?

Answer: Yes. A current year Form 936 is required before any title transfer can be completed.

Question: Who can use a Dealer Trade Affidavit?

Answer: Oklahoma licensed dealers only.

Question: Are repossessed homes held for consignment or resale required to have a current year 936? Do they need a current title also?

Answer: Yes. If the home has been held for resale or consignment, the home must have a 936 issued at the time of moving or thirty (30) days after in order to obtain a “Repo Title”. See page three (3) of the Quick Reference Guide.

Question: Trade-in and Repossession Affidavits are causing the assessors problems because the repo. agent or the dealer is not coming in to pay the tax in the 30 day period until the home is sold or moved off the lot. What should the assessor do?

Answer: The statutes require the OTC Form 936 be obtained within 30 days of the event. The statutes do not address a penalty for non-compliance. The assessor may contact the dealer or agent reminding them of the requirements at any time.

COLLECTION OF TAX:

Question: Can tax be paid in another county when requesting a Form 936?

Answer: Yes. The home county assessor and treasurer completes an original Form 936 based on the information from the collecting county's treasurer. The original Form 936 is then faxed to the collecting county treasurer. After payment the applicant is issued a trust deposit receipt, current year decal and a copy of the completed Form 936. [See: 68 O.S. § 2813-C] For specific procedures refer to the Manufactured Home Quick Reference Guide or OTC Web Site (www.oktax.state.ok.us).

Question: When paying tax upon application for Form 936, is the current year estimated tax or is it only the delinquent tax?

Answer: All taxes are due when requesting a Form 936. This includes any and all delinquent taxes and the full amount of tax for the current year. The Form 936 certifies that all taxes including penalties and interest have been paid.

Question: When excise tax is paid on a new home, is ad valorem tax also due for the same year?

Answer: No. When excise tax is paid on a new home ad valorem tax is not assessed until the next January 1. Excise and ad valorem tax are not paid in the same year.

Question: When excise tax is paid on a used home, is ad valorem tax also due for the same year?

Answer: Yes, unless the manufactured home is referenced on the deed by V.I.N. #. If the V.I.N. appears on the deed as part of the described property, there is no excise tax due.

Question: When collecting tax, is the amount based on only the tax due for the subject home requesting the Form 936 or may it include delinquent tax for other personal property owned by the current owner of the home?

Answer: The amount of tax due is only for the subject home requesting the Form 936. Other delinquent personal property accounts that the owner of the subject home may have are independent from the Form 936 transaction.

Question: If a taxpayer has paid both excise and ad valorem tax on a home is there any provision for a refund on one of the two?

Answer: Excise tax is not in-lieu of ad valorem tax. An ad valorem tax refund would be proper depending on the situation.

MODULAR HOMES:

Question: Are modular homes subject to Ad Valorem Tax?

Answer: Yes. Modulares are treated exactly like any other site built structure. The main difference between a modular and a manufactured home is they are not subject to title and registration. Ad Valorem tax for the home is assessed the first January 1 date after the completion of the structure.

Question: How can you determine if a home is a manufactured or a modular?

Answer: It is sometimes very difficult to tell. Some manufacturers have special data plates for modulares. Some have different color data plates. Most of the time you will need to see a copy of the original Manufacturers Statement of Origin (MSO), title or closing statements. If there is any doubt, the burden of proof is on the owner to show it is not a manufactured home.

Question: Do modular homes pay sales tax instead of excise tax?

Answer: Yes. Since modulares are not subject to title and registration as manufactured homes, they must pay a sales tax based on the purchase price and tax rate at point of sale.

Note: Beginning November 1, 2004 the first 45% of the purchase price is exempt from sales tax.
(Ref. 68 O.S. § 1357, 31)

For additional information and clarification please refer to the specific references in the Manufactured Home Quick Reference Guide latest edition.

Question: How can the assessor determine if a home is a manufactured subject to title and registration or if it is a modular that is not?

Answer: Some manufacturers will have different colored data plates to distinguish. Some manufacturers will identify by the VIN or control number found on the data plate. Usually there is no or little appearance difference, especially if setting on a full foundation. Ask the owner or agent for the MSO or proof of sales tax payment which is required for all modular homes.

GENERAL AND MISCELLANEOUS

Question: When transferring land and home on a warranty deed do you still have to pay the excise tax on the home and the ad valorem tax?

Answer: No. If the home is listed on the deed by VIN, then no excise tax will be charged.

Question: How does the assessor remove a “salvage” MH off the assessment rolls when there is no “salvage title” available? This would be when the home is removed for salvage or scrap meal.

Answer: The title should be signed over to a salvage dealer, providing there is a title, and a 936 should be issued to move the home. If the title has been cancelled, it is no longer a manufactured home and manufactured home rules do not apply.

Question: Is there anything that the assessor needs to do in the case of Title 42 transactions? Does the assessor receive any paperwork that indicates an ownership change if the home is not moving.

Answer: A current Form 936 is required before a title can be issued. The Title 42 instructions issued by OTC will list this as one of the requirements. Ref: OTC Motor Vehicle web site.

Question: Is the maximum time that the assessor can “go back” on a manufactured home for not rendering the home still 15 years on real and 3 years on personal? How does the 7 year statute of limitations affect the 15 years on real property?

Answer: Yes, however the delinquent tax is uncollectible after seven (7) years due to the statute of limitations.

Question: The assessor’s office from time-to-time has taxpayers that have manufactured homes that have no title. Some of these homes were never sold with titles. What should the county assessor tell the taxpayer to do?

Answer: Contact the OTC Motor Vehicle Division, Vehicle Title Section at (405) 521-3221 to research the VIN and obtain the procedures. A court order may be required.

COMMERCIAL/NON-COMMERCIAL AND FARM TRAILER TAGS

All tagged motor vehicles are in-lieu of Ad Valorem Tax.

Commercial Trailers are subject to “commercial trailer” tags. Must be pulled by a “commercial vehicle” with proper GVW (gross vehicle weight) registration. Trailer is not subject to Ad Valorem Tax.

Farm trailer tags are optional but not in-lieu of Ad Valorem Tax. All farm trailers are subject to Ad Valorem Tax unless tagged as a “commercial trailer”.

Non-commercial trailers are not subject to tag and should be taxed Ad Valorem. This would include farm, boat, lawn maintenance, utility, race-car and other such trailers pulled by “non commercial” vehicles, i.e.: personal vehicle or farm trucks.

Any trailer which is used in a commercial business or enterprise is required to be licensed with a commercial trailer tag. Additionally, the pulling unit of any commercial trailer should be licensed as a commercial truck or truck-tractor.

Occasional use of a trailer for a hobby, such as racing cars, where the pulling unit is licensed as a non-commercial vehicle will not subject to license.

COMMERCIAL TRAILERS
[O.S. TITLE 47, § 1133][RULE 710:60-3-94]

Commercial trailers are trailers used in a commercial enterprise. Commercial trailers *must* be pulled by a commercially registered truck.

Commercial trailers are to be issued non-expiring commercial trailer license plates, regardless of their size or weight, with the following exceptions:

- Trailer Mounted Special Mobilized Machinery receives expiring commercial trailer plates.
- Trailers used primarily for the purpose of transporting unfinished and unprocessed forest products may be subject to Forest Trailer registration.

The non-expiring commercial trailer plate is initially issued at a fee of \$46.00. Thereafter, a fee of \$4.00 is to be paid annually for each trailer or semitrailer.

- The fee of \$4.00 shall be due and payable on January 1 of each year.
- Upon each *transfer of ownership*, a new plate and registration will be issued at a fee of \$46.00, *regardless* of the time of year transferred.

Replacements for lost, stolen or mutilated commercial trailer license plates are issued in the same manner and for the same amount (\$9.00) as other type replacement plates.

- Non-expiring commercial trailer plates are not limited only to cargo carrying trailers. Concession trailers and many mobile office trailers are to be issued non-expiring commercial plates.

FARM TRAILERS
[Rule 710:60-3-111]

Farm trailers are trailers or semitrailers owned by a farmer and used *primarily* for the purpose of transporting farm products to the market *or* for the purpose of transporting to the farm material or items to be used on the farm.

Farm trailers are *not required* to be registered in this state.

Should a farm trailer owner *wish* to register the trailer, an *optional* farm trailer plate is available for a fee of \$7.00.

- These plates are for registration purposes *only*. *A title is not to be issued*.
- If a serial number is stamped on the trailer, it should be used for the VIN on the registration. Otherwise, the Drivers License number of the owner should be used.
- A farm trailer license plate is to be issued, with monthly and yearly decals expiring one (1) year from the date of registration.

Since farm trailer registration is optional, delinquent registration fees or penalties are *never* charged.

Note: If the pulling unit is registered as a farm truck, the trailer must be either unregistered, or registered with the optional farm trailer plate. A farm truck may not pull a commercially registered trailer.
